

EG – SAFETY DATA SHEET
according to Regulation (EG) Nr. 1907/2006

Elektrolyt-Salbe S

NAWA Heilmittel GmbH

Version 06
Revised 06.04.2018
Issued 06.04.2018

SECTION 1: Identification of the substance/mixture and the company/undertaking

1.1 Product Information

Elektrolyt-Salbe S

1.2 Relevant identified uses of the substance or mixture

Medical device for application on skin.

1.3 Manufacturer:

Company: NAWA Heilmittel GmbH
Ostendstraße 100
90482 Nürnberg
Germany

Phone: +49-(0)911-54 441-0

Telefax: +49-(0)911-54 441-11

1.4 Emergency call

Not available

SECTION 2: Potential hazards

2.1 Classification of the substance or mixture

Not relevant

2.2 Labelling

Labelling according to EG-Regulation

The product is labelled according to the EC regulation. This preparation as medical device is according to § 2(2) GefStoffV exempted from the regulations of the third paragraph of the GefStoffV.

Safety phrases : Not applicable

Classification : Not applicable

Hazard pictogram(s) : see Table SECTION 3

H-phrases: see Table SECTION 3

Water hazard class : Not available

2.3 Other hazards

Can cause allergic reactions in very rare cases.

EG – SAFETY DATA SHEET
according to Regulation (EG) Nr. 1907/2006

Elektrolyt-Salbe S

NAWA Heilmittel GmbH

Version 06
Revised 06.04.2018
Issued 06.04.2018

SECTION 3: Composition/Information on Ingredients

3.1 Mixture

Type of chemical substance
Cream

Hazardous Ingredients

Chemical Name	CAS-Nr.	Hazard pictogram(s)	Classification (VERORDNUNG (EG) Nr. 1272/2008)	Concentration (%)
Methylparaben Sorbic Acid Dehydroacetic Acid Propylparaben	99-76-3 110-44-1 520-45-6 94-13-3		Acute Tox.: 4 (Oral); H302 Eye Irrit.: 2; H319 STOT SE: 3; H335	< 1,0 %

SECTION 4: First Aid Measures

4.1 First Aid Measures

After Inhalation: None
After skin contact: None
After eye contact: None
After swallowing: In the event of symptoms refer for medical treatment.

4.2 Most important acute and delayed symptoms and effects

Product may cause allergic reactions.

4.3 Information for the physician

Treatment:

Treat symptomatically

NAWA Heilmittel GmbH

Version 06
Revised 06.04.2018
Issued 06.04.2018

SECTION 5: Firefighting measures

5.1 Suitable extinguishing agents

Product does not burn, coordinate the fire-extinguishing activities according to surrounding fire.

5.2 Special hazards:

None

5.3 Protective equipment:

None

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures:

None

6.2 Environmental precautions:

None

6.3 Methods and material for containment and cleaning up:

None

6.4 Reference to other sections

Protective provisions (see SECTION 7 and 8)

Revised 06.04.2018
Issued 06.04.2018

SECTION 7: Handling and storage

7.1 Precautions for safe handling:

Advice for safe handling:

When used as intended, no special actions needed.

7.2 Requirements to be met by storerooms and receptacles:

Requirements for storage rooms and containers:

Store only in original container.

7.3 Information about storage in one common storage facility:

Storage instructions:

None

SECTION 8: Exposure control/personal protection

8.1 Control parameters:

Temperature:

Do not store below 5°C.

Do not store above 30°C.

Protect from frost and direct sunlight.

8.2 Ingredients with limit values that require monitoring at the workplace:

Not relevant

Version 06
Revised 06.04.2018
Issued 06.04.2018

SECTION 9: Physical and chemical properties

9.1 Appearance:

Color:	White
Odor:	Characteristic
Melting point:	-
Boiling point:	-
Autoignition temperature:	-
Flash point:	Not applicable
Explosion limits:	-
Relative density:	Ca. 1,00
Water solubility:	Mixable
pH-Value:	Ca. 2,9

9.2 Other Information

No data available

SECTION 10: Stability and reactivity

10.1 Reactivity

No decomposition if stored and applied.

10.2 Chemical stability

Stable under normal conditions.

10.3 Possibility of hazardous reactions

None known

10.4 Conditions to avoid

Extreme temperatures (frost, direct sunlight)

10.5 Incompatible materials

None known

10.6 Hazardous decomposition products

None known

Issued 06.04.2018

SECTION 11: Toxicological Information

11.1 Toxicological Information

Acute toxicity:

Acute oral toxicity LD50 rat:	None
Acute dermal toxicity LD50 rabbit:	None
Acute inhalative toxicity LD50 rat:	None
Eye contact:	None
Sensitization:	None
Subacute to chronic toxicity:	None

SECTION 12: Ecological Information

12.1 Toxicity

Eco-toxicity:

Fish toxicity	No data available
acute and prolonged impact:	No data available
Acute toxicity against invertebrate aquatic organisms:	No data available
Toxicity against water plants:	No data available

Additional ecological Information

Ecological data of the complete product are not available.

12.2 Biodegradability

No data available

12.3 Bioaccumulation

No data available

12.4 Mobility in soil

No data available

12.5 Results of PBT- and vPvB- assessment

No results available

12.6 Other adverse effects

None known

SECTION 13. Disposal considerations

13.1 Waste treatment methods

Recommendation:

Recycling (recycling) is preferred to disposal.

Waste catalog-Nr.:

Not available

Waste treatment methods:

With household garbage/residual waste

Uncleaned packaging

Packaging can be recycled.

SECTION 14: Transport Information

14.1 UN-Number

Not available

14.2 UN proper shipping name

Not available

14.3 Transport hazard class

Not available

14.4 Packing group

Not available

14.5 Environmental hazards

Not available

14.6 Special precautions for user

No special precautions necessary.

14.7 Transport in bulk according to Annex II of MARPOL and IBC Code

No data available

SECTION 15: Regulatory Information

15.1 Safety, health and environmental regulations / specific Legislation for the substance or mixture

Labelling according to EC-Regulation:

The product is labelled according to the EC regulation. This preparation as medical device is according to § 2(2) GefStoffV exempted from the regulations of the third paragraph of the GefStoffV.

15.2 Chemical Safety Assessment

For this substance no chemical safety assessment was carried out.

SECTION 16: Other Information

NAWA Elektrolyt-Salbe S is a brand name of NAWA Heilmittel GmbH

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use processing, transportation disposal and release and is not be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
